

# PEDIATRIC POTPOURRI

---

# PEDIATRIC POTPOURRI

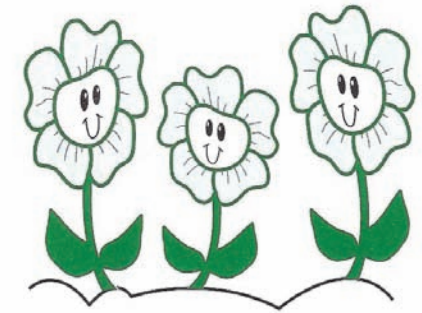

---

The conference will address topics of interest to acute and primary care pediatric nurses and practitioners. Pharmacology management is incorporated into most session topics and is the main focus in the sessions designated by the RX code.

Conference Objectives;

1. Discuss the management of various pediatric issues in acute and primary care settings.
2. Understand the pharmacological implications of common diagnoses in acute and primary care.
3. Utilize knowledge gained to enhance their practice.

**SATURDAY  
FEBRUARY 20, 2010**

**6 CEU's  
2 Pharmacology**

PRESENTED BY: HOUSTON AREA
